## **ABOUT LYNDOCH WARRNAMBOOL INC.**

Lyndoch is the largest provider of aged and extended care services in South West Victoria and has been in operation for over 50 years.

Over that time, many members of the community have given their time to assist in enhancing the quality of life of residents and clients. Lyndoch has long valued the contribution of these volunteers and always welcomes new ones to the organisation.

Lyndoch employs around 300 people in a variety of capacities and is home to approximately 250 residents. It also provides a range of community services to people living in the community, including the Day Centre, case management and allied health services.

Lyndoch is a not-for-profit Community owned organisation and is overseen by a **Board comprising of members of the broader community.**
