

Dear Lyndoch Living Community,

On behalf of the Lyndoch Living Board, Executive, staff and residents we would just like to say a big thank you for your support during the COVID-19 pandemic.

Lyndoch Living remains COVID-19 free, and we continue to protect the health and wellbeing of our residents, clients, staff, and the broader community.

Visiting guidelines recap

To continue keeping our environment safe all visitors must make a booking prior to visiting a loved one.

- Bookings can be made by calling (03) 5559 3480, between 9am-12pm Monday to Friday (except public holidays).
- Visiting hours are 10am-4pm daily and visits are restricted to a resident's room only for a maximum of 2 hours.
- Visitors must complete a screening process and complete a written declaration in addition to the current temperature checking.
- We ask that if you have been unwell, recently tested for COVID-19, or been in contact with someone who has tested positive to COVID-19, that you do not make a booking.
- Bookings are to be made in advance as there is a density quota in place. Please be patient and consider others when making your booking.
