

Dear Lyndoch Living Community,

## Lyndoch Living update – COVID-19 free

Lyndoch Living remains COVID-19 free and we continue to protect the health and wellbeing of our residents, clients, staff, and the broader community.

## Visitor guidelines reminder

Our visitor guidelines for our homes are as follows:

- Families and visitors can visit between 9:00 am - 4:30 pm each day
- Visits are restricted to the resident's room
- All visitors must wear a face mask and complete the QR Code sign in, screening and declaration process

Visitors are not to enter our homes if they have:

- been unwell, particularly with fever or acute respiratory infection (for example, cough, sore throat, runny nose, shortness of breath symptoms),
- recently tested for COVID-19,
- been in contact with someone who has tested positive to COVID-19,
- recently returned from overseas, or
- anyone who has visited or lived in an orange or red zone (as per the Victorian traffic light permit system) will not be allowed to visit until that zone reverts to a green zone.

Also remember, residents who leave the facility must comply with the same public health directions that all Victorians are required to comply with and should undertake the screening process upon their return.

Keeping our community safe is a shared responsibility. Thank you for following the recommended precautions and helping keep Lyndoch Living COVID-19 free. While restrictions continue to ease in the State, we still need to be mindful that the virus can surge at any time. Keep being careful! Keep you and your family safe.

Please do not hesitate to contact us on 5561 9300 if you have any questions or special circumstances. If you would like to receive future communications electronically, please sign up to our [mailing list](#), or keep up to date by connecting with us via [Facebook](#) or [Instagram](#).

Have a great Easter.

Kind regards,

**Doreen Power**  
CEO
